California Department of Water Resources: Contracts Approved Pursuant to Chapter 2, Statutes of 2015 (AB 92)

Title	Description	Contractor	Begin Contract Ter	End Contract Te	Contract Value
(3) Acoustic Doppler Current Profilers	Purchase (3) Acoustic Doppler Current Profilers	Electronic Data Solutions	6/17/2015	6/17/2015	$ 44,452.20
500-Ton Chiller	500-ton, air-cooled water chiller for the Feather River Fish Hatchery, which will cool and maintain the water to the levels required to support egg life.	Peterson Power Systems	7/1/2015	1/31/2016	$ 407,700.00
CASGEM Programming Services	This project shall provide enhancements and new functionality to DWR's California Statewide Groundwater Elevation Monitoring system (CASGEM). New and enhanced business functionality are a priority, focus will be on aligning system's functions with new Groundwater mandated monitoring and reporting requirements.	Natoma Technologies, Inc.	5/26/2015	12/30/2016	$ 850,000.00
Conduct 4 workshops for NOAA	Drought Contract for four workshops to help improve seasonal forecasting.	Western States Water Council	6/15/2015	6/14/2016	$ 74,900.00
Conduct 4 WSWC/DWR Workshops	WSWC will conduct requirements elicitation and workshops to integrate identified partner agencies' agricultural weather station networks into Spatial CIMIS.	Western States Water Council	7/1/2015	12/31/2016	$ 125,000.00
Delta Smelt/salmonid Habitat Conservation Credit		Liberty Island Holdings I, LLC	5/1/2012	3/1/2013	$ 3,345,000.00
Delta Smelt/salmonid Habitat Conservation Credit	Purchase of 4.9 acres of Smelt Salmonid shallow water habitat mitegation credits.	Liberty Island Holdings I, LLC	6/15/2015	6/15/2015	$ 735,000.00
Digitize well completion reports	Contractor will perform back-file key entry of well completion reports into a format compatible with the DWR database.	SyTech, Incorporated	2/1/2016	12/31/2016	$ 371,000.00
Drought Support Services	Provide project and program management assistance, guidance, and support for DWR engineering and environmental projects and programs.	GEI Consultants, Inc.	7/1/2013	6/30/2018	$ 5,000,000.00
East Porterville Emergency Water Supply project	It was originally estimated that this phase would serve 40 properties. Upon further investigation it appears that this phase can serve up to 70. As result, this amendment expands the scope of work to add up to 30 additional connections. Additionally, the estimate received from the contractor to do work in the public right-of-way came in higher than originally anticipated. The estimated cost has been updated to reflect the contractor's estimate along with the estimate for the 30 additional connections.	Self-Help Enterprises	8/2/2016	12/31/2016	$ 665,000.00
East Porterville Phase 1B and 1C	Construction contract	Ames Construction, Inc.			$ 7,100,000.00
East Porterville Phase 1D and 1E	Construction contract	Teichert Construction			$ 3,400,000.00
Emergency Rock Barrier at False River	Emergency Rock Barrier at False River	San Rafael Rock Quarry, Inc.	5/18/2015	7/30/2015	$ 14,617,700.00
Emergency Water Supply Connection for Hardwick Community	Emergency Water Supply Connection for Hardwick Community	Hardwick Water Company	7/1/2016	6/30/2018	$ 114,655.00
Estimation of agricultural EvapoTranspiration using the Surface Energy Balance System (SEBS)	Under this contract Formation Environmental will use the Surface Energy Balance System (SEBS) remote sensing methodology which is new to California will estimate statewide agricultural evapotranspiration at the scale of DWR's detailed analysis unit (DAU) for the years 2010 -2015. This data will help DWR better estimate the drought impact on agricultural water use. Data could also be used for modeling efforts in the delta.	Formation Environmental	8/1/2015	7/31/2017	$ 458,923.00
Fabrication of sensor mounts	Fabrication of aluminum mounting frames and steel mounting brackets	Tri-C Machine Corp.	6/1/2015	6/30/2015	$ 18,000.00
Fabrication of Sensor Mounts	Fabrication and welding of aluminum mounting frames, steel pile brackets (clamps), and aluminum mounting heads for Acoustic Doppler Current Profiler (ADCP) sensors.	Tri-C Machine Corp.	5/25/2015	6/30/2015	$ 10,000.00
Integrated Forecast and Reservoir Management (IFRM) Modeling	Modeling system for evaluating options for water management.	HRC GWRI	1/1/2016	6/30/2017	$ 676,256.00
Land Mapping	Under this agreement Land IQ will produce land cover mapping for two consecutive years within the legal and Delta Service area of the Sacramento-San Joaquin Delta, as well as potential and actual evapotranspiration assessments to assist DWR and other resource agencies in critical water resource planning and management efforts in this region.	LAND IQ	11/15/2015	6/30/2017	$ 380,832.00
Media Outreach	Outreach promoting the Residential Turf Rebate program.	Wonnacott Strategies LLC	5/1/2016	4/30/2017	$ 50,000.00
On-Call Diving	Dive Services with URS Corporation	URS Corporation Americas	6/1/2014	12/31/2014	$ 500,000.00
Online System for Water Well Drillers	Amendment for additional time period of 18 months and additional funds in the amount of $125,000. Contractor to develop and implement an online system for water well drillers.	Natoma Technologies, Inc.	8/18/2014	12/31/2016	$ 654,863.20
Outreach and Engagement Activities	The intent of this agreement is to provide funding to Community Water Center (CWC) to perform outreach and engagement activities.	Community Water Center (CWC)	10/1/2016	12/31/2018	$ 140,000.00
Public Awareness of Conserving Water	The California Urban Water Conservation Council will administer funding for workshops hosted and organized by local water suppliers and non-profit groups.	California Urban Water Conservation Council	6/1/2015	6/30/2016	$ 110,800.00
Purchase Data Collectors	Data Collectors for DOE Geodetic Branch	California Surveying & Drafting	7/22/2014	7/22/2014	$ 54,946.20
Rental of Chillers	The 500 ton chiller and generator shall support fish egg life	Peterson Power Systems	9/1/2014	1/31/2015	$ 350,000.00
Save Our Water Program	Provide public outreach and education to accomplish the directives in the Governor's Emergency Executive Order B-29-15	ACWA	3/1/2010	6/30/2017	$ 13,022,451.20
Statewide High Efficiency Toilet Program	Through this contract, DWR will be partnering with the Electric & Gas Industries Association (EGIA) to implement, manage, track and report on a statewide High Efficiency Toilet Rebate (HET) Program throughout the State.	Electric & Gas Industries Association (EGIA)	8/12/2015	2/12/2017	$ 6,000,000.00
Statewide Residential Turf Rebate Program	Under this agreement, and as part of the response to the Governor's declaration, DWR is partnering with EGIA to implement, manage, track, and report on a statewide Residential Turf Rebate Program.	Electric & Gas Industries Association (EGIA)	8/12/2015	2/12/2017	$ 24,000,000.00
Statewide Water Loss Control Program	The American Water Works Association, California-Nevada Section (AWWA CA-NV), will develop and initiate a comprehensive statewide water loss control program.	American Water Works Association, CA-NV Section	6/1/2015	6/30/2016	$ 130,400.00
Sutter Basin Conservation Bank Mitigation Credits	Purchase of 1 Acre of giant garter snake mitigation credits.	Westervelt Ecological Services	5/15/2015	5/15/2015	$ 55,000.00
Technical Assistant - Small Water System	Pursuant to Governor Brown's Proclamation of a drought emergency earlier this year, CRWA will provide on-site technical assistance, leak detection workshops, and leak detection surveys to "targeted small water systems" located anywhere in California that are facing water shortage or the imminent threat of water shortage due to drought.	California Rural Water Association	9/1/2014	6/30/2017	$ 500,000.00
Water Education Outreach Services and Support	The Water Education Foundation (WEF) will provide workshops, symposiums and deliverables regarding water education outreach services and support.	Water Education Foundation	6/1/2015	6/30/2016	$ 146,015.00

California Department of Water Resources: Contracts Approved Pursuant to Chapter 2, Statutes of 2015 (AB 92)

Title	Description	Contractor	Begin Contract Ter	End Contract Te	Contract Value
Water Meters	In order to comply with the SWRCB water diversion measurement requirement, DWR needs to purchase and install water meters for each point of diversion.	Gornto Ditching	2/17/2016	2/16/2018	$ 300,000.00
Water Quality Instruments	The purchase of the water quality instruments will allow DWR to complete part of the State Water Project.	YSI, Inc.	5/14/2014	5/14/2014	$ 109,908.00
Water Storage Contingency Plans	Tully & Young will provide technical services and share its specialized technical expertise to help California's urban water suppliers to implement water shortage contingency plan requirements.	Tully & Young, Inc.	8/1/2016	6/30/2017	$ 252,000.00
Water-friendly Residential Landscaping/Gardening	This Statewide intiatiative shall educate the public through 10 workshops on efficient landscaping and rainwater capture.	Green Gardens Group	6/1/2015	6/30/2016	$ 22,500.00
Web-based data exchanges related for Ag and Urban Water Management	Provide SAAS web-based software for enterprise data management solutions, web GIS tools, and data exchanges related to Ag and Urban Water Management.	EcoInteractive, Inc.	7/27/2015	7/26/2018	$ 225,000.00
Workshops to Create Low-Water Landscaping	This Statewide initiative shall provide workshops on the Use of Drought-Tolerant Urban Landscapes that includes leak detection	California Native Grasslands Association	6/1/2015	6/30/2016	$ 86,531.00
