

Website Accessibility Certification

The California Department of Water Resources is committed to making our website equally accessible for all visitors. The undersigned certify that, as of July 1, 2023, the internet website of the California Department of Water Resources is designed, developed and maintained to comply with applicable accessibility laws including California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines (WCAG).

If you have difficulty accessing any material on our website, please contact us and we will correct the problem or work to provide the information in an alternative format. You can report web accessibility problems by sending an email to accessibility@water.ca.gov.
