

**CALIFORNIA DEPARTMENT OF WATER RESOURCES STANDARD CONTRACT PROVISIONS REGARDING
POLITICAL REFORM ACT COMPLIANCE**

A. FORM 700 DISCLOSURE:

The Department of Water Resources (Department) considers identified personnel to be a consultant, i.e., a public official, within the meaning of the Political Reform Act, specifically Government Code Section 82048 and Title 2, California Code of Regulations §18700.3. Accordingly, as specified by the Department, such persons shall complete and submit an electronic Form 700 (Statement of Economic Interests) via the Department's electronic filing system or an original hard copy of the Form 700 to the Department's Assistant Filing Officer within 30 days of the earlier of the date work commences or the effective date of this agreement, annually by April 1st, and within 30 days of completion of the Construction Manager's performance under this Preconstruction Services Contract. The financial interests disclosed shall be for Department Disclosure Category 1. Persons may access the Form 700 on the Fair Political Practices Commission (FPPC) website at <http://www.fppc.ca.gov/Form700.html>. Any questions regarding completion of the Form 700 should be addressed to the FPPC at advice@fppc.ca.gov or at (866) 275-3772 (866/ASK-FPPC).

B. FINANCIAL CONFLICT OF INTEREST PROHIBITION

The Construction Manager must review the Form 700s filed by identified personnel and determine whether, in the light of the interests disclosed, performance under the contract could violate Government Code §87100. The Construction Manager shall notify the Department immediately of any potentially disqualifying conflict of interest. Government Code Section 87100 provides:

"No public official at any level of state or local government shall make, participate in making or in any way attempt to use his official position to influence a governmental decision in which he knows or has reason to know he has a financial interest."

C. CONSEQUENCES OF FAILURE TO COMPLY WITH POLITICAL REFORM ACT REQUIREMENTS

Any one of the following shall constitute a breach of this Preconstruction Services Contract and shall be grounds for immediate termination of this Preconstruction Services Contract:

1. Failure to complete and submit all required Form 700s within the filing periods described in paragraph A above, or respond to any request from the Department Filing Officer for additional information regarding any such Form 700s;
2. Failure to notify the Department of a potentially disqualifying conflict of interest; or
3. The determination by the Department or the Construction Manager that any individual has a financial interest that could result in a violation of Government Code Section 87100; provided, however, that the Department may opt to waive such breach if Construction Manager replaces any such individual within two working days after a determination of such financial interest.
