

## DWR posts flood preparedness public service announcement

DWR and the U.S. Army Corps of Engineers, Sacramento District, have posted this flood preparedness [public service announcement](#). More flood preparedness information from DWR is [here](#).

## CVFPB posts El Niño flood preparedness links

The Central Valley Flood Protection Board (CVFPB) has posted two informative links about El Niño flood preparedness, titled [Are You Ready for El Niño? Here's How to Stay Safe](#) and [California Flood Preparedness](#).

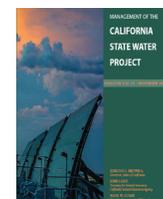

## Seminar topic is monitoring wetlands during climate change

The Delta Science Program, Ecosystem Restoration Program, and Surface Water Ambient Monitoring Program will present a seminar February 17 in Sacramento, titled *Alternative Monitoring Approaches for Large Bay-Delta Estuarine Wetland Restoration Projects: Adapting to Uncertainty and Novelty During Accelerated Climate Change*. Dr. Peter Baye, California State University, San Francisco, will examine how more comprehensive conceptual models of wetland succession enable researchers to anticipate changes in restored marshes while guiding more efficient, focused, and meaningful monitoring and restoration design, which helps to achieve the State's coequal goal of a restored Delta ecosystem. More information, including WebEx access, is [here](#).

## State Water Project Management, Bulletin 132-14 is released

DWR has released [Bulletin 132-14, Management of the California State Water Project](#). Bulletin 132-14 contains many issues about the Delta, especially Chapter 2, "Delta Resources."

## San Francisco Estuary Institute has developed the California EcoAtlas

The [California EcoAtlas](#), developed by the [San Francisco Estuary Institute – Aquatic Science Center](#), provides free public access to information about the quantity and quality of California wetlands. EcoAtlas has information on restoration projects that are occurring throughout the state and enables integration of information to provide landscape context for consideration of wetland extent and condition.

## DPC 2015 Annual Report is now available online

The Delta Protection Commission (DPC) [2015 Annual Report](#) is now available online.
