

RANGE CRITERIA 418

Established 1/1/00

Revised 12/15/00

Range A. This range shall apply to persons who do not meet the criteria for Range B or Range C or Range D.

Range B. This range shall apply to persons who have either:

1. In State service, satisfactorily completed one year of experience performing duties equivalent to a Transportation Surveyor (Caltrans), Range A. or
2. Two years of professional surveying experience outside State service. and

Graduation from a four-year curriculum in Surveying, Surveying Engineering, or Surveying Geomatics accredited by the Accreditation Board for Engineering Technology. (Possession of a valid certificate as a Land Surveyor in Training issued or accepted by the California Board of Registration for Professional Engineers and Land Surveyors or possession of a valid certificate as an Engineer in Training accepted by the California Board of Registration for Professional Engineers and Land Surveyors in lieu of a certificate as a Land Surveyor in Training may be substituted for the required education.)

Range C. This range shall apply to persons who have either:

1. In State service, completed two years of experience performing duties equivalent to a Transportation Surveyor (Caltrans), Range B. or
2. In State service, completed one year of experience performing duties equivalent to a Transportation Surveyor (Caltrans), Range B. and

Successful completion of the Transportation Surveyor Academy. or

3. Three years of professional surveying experience outside State service. and

Graduation from a four-year curriculum in Surveying, Surveying Engineering, or Surveying Geomatics accredited by the Accreditation Board for Engineering Technology. (Possession of a valid certificate as a Land Surveyor in Training issued or accepted by the California Board of Registration for Professional Engineers and Land Surveyors or possession of a valid certificate as an Engineer in Training accepted by the California Board of Registration for Professional Engineers and Land Surveyors in lieu of a certificate as a Land Surveyor in Training may be substituted for the required education.)

Range D. This range shall apply to persons who:

Possess a valid California Land Surveyors License issued by the California Board of Registration of Professional Engineers and Land Surveyors. (A certificate of registration as a Civil Engineer issued by the California Board of Registration for Professional Engineers and Land Surveyors prior to January 1, 1982 satisfies this requirement.)

NOTE: "Professional surveying experience" for the purpose of Alternate Range Criteria 418 is defined as: (1) actual work experience in land surveying gained after graduation from a four-year college or university with a degree in the surveying curriculum; or (2) actual work experience gained after possession of a valid certificate as a Land Surveyor-in-Training issued by the California Board for Professional Engineers and Land Surveyors or issued by another jurisdiction and accepted by the California Board for Professional Engineers and Land Surveyors or actual work experience gained after possession of a valid certificate as an Engineering-in-Training issued by the California Board for Professional Engineers and Land Surveyors or issued by another jurisdiction and accepted by the California Board of Professional Engineers and Land Surveyors; or (3) actual work experience gained anytime performing the duties of a survey party chief, chief of parties, or lead person of a field survey crew or survey office team.

When the requirements for the criteria for a range are met and the appointing power so recommends, the employee shall move to the appropriate rate in the higher range under the provisions of DPA Rule 599.676.
