Yosemite-Mariposa IRWMP **Integrated Regional Water Management Plan**

RESOLUTION 2014-6 TO ADOPT

WHEREAS, the California State Legislature has declared its intention to encourage local agencies to work cooperatively to manage their available local and imported water supplies; to improve the quality, quantity, and reliability of those supplies; to integrate local assets and seek mutual solutions to water management issues by diversifying water portfolios; and to provide funding for development of regional water management plans and projects identified in those plans; and

WHEREAS, the California Department of Water Resources has issued guidelines for preparing an Integrated Regional Water Management Plan (IRWMP) and for distributing State bond monies; and in June 2011 accepted the Yosemite-Mariposa Region into its IRWM grant program, a requirement for IRWM grant funding eligibility; and

WHEREAS, the Yosemite-Mariposa Regional Water Management Group/Regional Water Advisory Council was convened in August 2011 to provide the mechanism for Yosemite-Mariposa Region stakeholders, representing a wide array of interests, to work together in an open, participatory, collaborative public process to formulate and support implementation of long-term water management solutions resulting in the Yosemite-Mariposa IRWMP; and

WHEREAS, the Yosemite-Mariposa IRWMP represents the collective vision and wisdom of the Yosemite-Mariposa Region's stakeholders, defines a portfolio of cost-effective water supply strategies, serves as a resource the Region can use to define long-term needs and priorities for water-related projects, and qualifies projects that are proposed by adopting agencies for State funding; and

WHEREAS, the Yosemite-Mariposa IRWMP does not replace or supersede local water supply or land use planning, nor usurp any water district, city, or county authorities; and

WHEREAS, the Yosemite-Mariposa IRWMP does not bind the adopting agency to any policies, but rather acts as a roadmap for the region's water related goals;

NOW, THEREFORE, BE IT RESOLVED, that the Lake Don Pedro CSD hereby adopts the 2014 Yosemite-Mariposa IRWMP Plan; and

BE IT FURTHER RESOLVED that the Lake Don Pedro CSD hereby agrees to participate in future Yosemite-Mariposa IRWMP water planning efforts and/or updates.
