

2013

- The number of goals was reduced from six to five.
- The number of objectives was consolidated from 65 to 35.
- Objectives that address climate change and integration were added.

Objectives for the Bay Area Region were developed to support the goals and are categorized accordingly, as is shown in Figure ES-4.

The goals of the Bay Area IRWMP are to:

1. Promote environmental, economic and social sustainability
2. Improve water supply reliability and quality
3. Protect and improve watershed health and function and Bay water quality
4. Improve regional flood management
5. Create, protect, enhance, and maintain environmental resources and habitats
