

NOTICE TO STATE WATER PROJECT CONTRACTORS

NUMBER: 04-08

DATE: NOV 30 2004

SUBJECT: 2005 State Water Project
Initial AllocationFROM: 
for DEPUTY DIRECTOR, DEPARTMENT OF WATER RESOURCES
TOM GLOVER

The Department of Water Resources (DWR) is initially approving 1,651,194 acre-feet of Table A water for long-term State Water Project (SWP) contractors in 2005. SWP supplies are projected to meet 40 percent of SWP contractors' Table A water. Attached is the initial 2005 SWP allocation table.

Consistent with the long-term water supply contracts and public policy, this allocation is made pursuant to the terms of the Monterey Amendment for those contractors that have signed the Amendment. In making this allocation, DWR also considered a conservative projection of hydrology, SWP operational constraints, and 2005 contractor demands, including carryover water from 2004. SWP contractors' Table A for 2005 totals 4.13 million acre-feet, of which all was requested. DWR will revise the allocation as the year's hydrologic and water supply conditions develop.

Based on this initial allocation, DWR will prorate the 30 percent delivery schedules submitted by the contractors' earlier this year in developing new schedules, unless revised schedules are submitted. DWR will send an approved monthly water delivery schedule to each contractor in December.

If you have any questions, please contact Dan Flory, Chief of DWR's State Water Project Analysis Office, at (916) 653-4313, or you may call Craig Trombly of his staff at (916) 653-6250.
