

**California Department of Water Resources: Contracts Approved Pursuant to Chapter 2, Statutes of 2015 (AB 92)**

Contract Title	Description	Contractor	Begin Contract Term	End Contract Term	Contract Value
Dive Services	Dive Services with URS Corporation	URS Corporation	6/11/2014	12/31/2014	\$500,000.00
Purchase Water Quality Instruments	Purchase of the water quality instruments.	YSI, Inc.	7/30/2014	7/30/2014	\$109,908.00
Purchase Data Collectors	Data Collectors for DOE Geodetic Branch	California Surveying & Drafting	7/31/2014	7/31/2014	\$51,000.00
Drought Support Services	Provide project and program management assistance, guidance, and support for DWR engineering and environmental projects and programs.	GEI Consultants, Inc.	7/1/2013	6/30/2018	\$4,000,000.00
Rental of Water Chillers	Rent 500-ton chiller and generator to support fish egg life.	Peterson Power Systems	9/1/2014	1/31/2015	\$350,000.00
Water Well Drillers Database	Develop and implement an online system for water well drillers to upload well data.	Natoma Technologies	8/18/2014	06/30/2015	\$529,863.00
Drought Technical Assistance Services	Drought technical assistance to small, rural and disadvantaged communities.	California Rural Water Association	10/1/2014	9/30/2019	\$100,000.00
Save Our Water Outreach Program	Provide public outreach and education to accomplish the mandated Governor's Emergency Drought Proclamation of February 27, 2009	ACWA	3/1/2010	06/30/2017	\$3,000,000.00
Rental of Chillers	Rent 500-ton chiller and generator to support fish egg life.	Peterson Power Systems	7/1/2015	1/1/2016	\$410,000.00
CASGEM Programming Services	Modify DWR's California Statewide Groundwater Elevation Monitoring system (CASGEM) to increase capability, simplify application administration, and improve user experience when capturing, analyzing, distributing and/or reporting data.	Natoma Technologies	5/26/2015	12/30/2016	\$600,000.00
Water Efficiency Outreach	Conduct 50 statewide public workshops to promote water efficient landscapes	California Urban Water Conservation Council	6/1/2015	6/30/2016	\$110,800.00
Water Efficiency Outreach	Conduct 10 workshops to educate the public on efficient landscaping and rainwater capture	Green Gardens Group (G3)	6/1/2015	6/30/2016	\$22,500.00
Emergency Rock Barrier at False River	Install emergency rock barrier in False River	San Rafael Rock Quarry, Inc.	5/18/2015	7/30/2015	\$12,819,000.00

California Department of Water Resources: Contracts Approved Pursuant to Chapter 2, Statutes of 2015 (AB 92)

Contract Title	Description	Contractor	Begin Contract Term	End Contract Term	Contract Value
Water Efficiency Outreach	Conduct workshops on the use of drought-tolerant urban landscapes and leak detection	California Native Grasslands Association	6/1/2015	6/30/2016	\$86,531.00
Fabrication Services	Provide fabrication services for Acoustic Doppler Current Profiler sensor mounts to allow the monitoring of salinity levels in various locations throughout the delta.	Tri-C Machine Corp	5/20/2015	6/30/2015	\$10,000.00
Acoustic Doppler Current Profilers	Purchase (3) Acoustic Doppler Current Profilers	Electronic Data Solutions	6/17/2015	6/17/2015	\$44,452.20
Statewide Water Loss Control Program	Develop a water loss control program to provide; 1) training for water utilities on system water auditing and loss control; 2) training on water system leak detection methods; and 3) technical assistance on water audit review and improvement, leak detection.	California-Nevada Section, American Water Works Association	6/1/2015	06/30/2016	\$130,400.00
Small Water Systems Assistance	Provide on-site technical assistance to targeted small water systems suffering from or threatened by drought conditions.	California Rural Water Association	9/1/2014	10/31/2016	\$500,000.00
Well Drillers Database	Provide one encompassing online database for digital images for water wells.	Natoma Technologies	8/18/2014	12/31/2016	\$125,000.00
Public Water Education and Outreach	Public education about current drought conditions, impacts, and drought preparedness and response.	Water Education Foundation	6/1/2015	6/30/2016	\$146,015.00
Fabrication Services	Support the fabrication of three aluminum mounting frames for six new water quality monitoring stations in the Central and Western Delta.	Tri-C Machine Corp	6/1/2015	6/30/2015	\$18,000.00
Enterprise Database Management Solution	Provide web-based software for enterprise data management solutions, web GIS tools, and data exchanges related to Ag and Urban Water Management Programs	EcoInteractive, Inc.	6/15/2015	06/14/2018	\$225,000.00
Analysis Services	Provide estimates of agricultural evapotranspiration for CA for years 2010 - 2016	Formation Environmental	8/1/2015	7/31/2016	\$138,000.00

**California Department of Water Resources: Contracts Approved Pursuant to Chapter 2, Statutes of 2015 (AB 92)**

Contract Title	Description	Contractor	Begin Contract Term	End Contract Term	Contract Value
Save Our Water Program	Provide public outreach and education to accomplish the directives in the Governor's Emergency Executive Order B-29-15	ACWA	3/1/2010	6/30/2017	\$4,000,000.00
Turf Replacement Rebate Program	Conduct Statewide Residential Turf Rebate Program	Electric & Gas Industries Association (EGIA)	8/12/2015	2/12/2017	\$24,000,000.00
Statewide High Efficiency Toilet Rebate Program	Conduct Statewide Residential Toilet Rebate Program	Electric & Gas Industries Association (EGIA)	8/12/2015	2/12/2017	\$6,000,000.00
Emergency Rock Barrier at False River	Remove emergency rock barrier in False River	San Rafael Rock Quarry, Inc.	7/31/2015	11/30/2015	\$14,617,700.00
Knights Landing Outfall Gates	Contribute to the construction of fish barrier at the Knights Landing Outfall Gates	Reclamation District 108 (RD 108)	7/1/2015	6/30/2016	\$300,000.00
Delta Land Cover Mapping	Produce land cover mapping and evapotranspiration assessments within the legal and Delta Science area of the Sacramento-San Joaquin Delta.	LAND IQ	11/1/2015	11/1/2017	\$380,832.00
