

APPLICATION EVALUATION FORM
2014 Water-Energy Grant Program
FY 2014-2015

APPLICANT	Alpaugh Community Services District	GRANT AMOUNT REQUESTED	\$34,953
PROPOSAL TITLE	Water Conservation Kit Project	TOTAL PROPOSAL COST	\$34,953

PROPOSAL DESCRIPTION

The project will provide each domestic water customer with a useful toolkit for reducing water use. Both indoor and outdoor water conservation strategies will be encouraged by careful selection of toolkit components. For example, shower timers and low-flow showerheads will reduce indoor consumption (including hot water), and sprinkler timers will be included to reduce outdoor consumption. The toolkit will be accompanied by educational information that explains how to maximize the benefit of each component, and all materials will be provided in English and Spanish.
