

APPLICATION EVALUATION FORM
2014 Water-Energy Grant Program
FY 2014-2015

APPLICANT	Sierra Business Council	GRANT AMOUNT REQUESTED	\$142,420
PROPOSAL TITLE	Sierra Business Council Leak Detection Team	TOTAL PROPOSAL COST	\$142,420

PROPOSAL DESCRIPTION

The Sierra Business Council proposes to develop a leak detection program that will enable Sierra Foothill water agencies to implement effective leak loss detection on their treated water main transmission lines.

TECHNICAL REVIEW SUMMARY

Project is ineligible for funding. While leak detection and repair are important. The project is structured such that the tangible water and energy savings are outside of the grant.
