

**Table 3-1 Description of county ordinances related to groundwater substitution transfers**

County	Description	Sources for more information
Shasta	<p>Shasta County Ord. 98-1 § 1 (part), 1998 requires a permit for extraction and export of groundwater, either directly or indirectly, for use outside the county. Application for a transfer permit should be submitted to the chief engineer of the Shasta County Water Agency. In most cases, all approved permits shall be valid for a term not to exceed three water years from the date of the issuance of the permit.</p>	<p>Shasta County Code of Ordinances:  <a href="https://library.municode.com/ca/shasta_county/codes/municipal_code?nodeId=CD_ORD_TIT18EN_CH18.08GMA_18.08.050APUSPE">https://library.municode.com/ca/shasta_county/codes/municipal_code?nodeId=CD_ORD_TIT18EN_CH18.08GMA_18.08.050APUSPE</a></p> <p>Shasta County Water Agency:  (530) 225 - 5661  <a href="http://www.co.shasta.ca.us/index/pw_index/engineering/water_agency.aspx">http://www.co.shasta.ca.us/index/pw_index/engineering/water_agency.aspx</a></p>
Tehama	<p>Tehama County Ord. 1617 § 5 (part), 1994 requires a permit to extract groundwater for off-parcel use, prohibits mining of groundwater, and restricts the radius of influence associated with the operation of a well participating in transfer operations to the parcel on which the well is located. An application for a permit for the extraction of groundwater for use off-parcel shall be filed with the Tehama County health agency, environmental health division. The permit granted pursuant transfer operations shall be subject to an annual staff review.</p>	<p>Tehama County Code of Ordinances:  <a href="https://library.municode.com/ca/tehma_county/codes/code_of_ordinances?nodeId=TIT9HESA_CH9.40AQPR">https://library.municode.com/ca/tehma_county/codes/code_of_ordinances?nodeId=TIT9HESA_CH9.40AQPR</a></p> <p>Tehama County Health Agency, Environmental Health Division:  (530) 385-1462  <a href="http://www.tehamacountypublicworks.ca.gov/Flood/">http://www.tehamacountypublicworks.ca.gov/Flood/</a></p>
Butte	<p>Butte County Ord. No. 3303-A, § 4.02, 12-10-96 and Ord. No. 3542, § 1, 8-10-99 requires permits for groundwater extraction for use outside the county and requires a permit for groundwater substitution pumping. Butte County also has a well spacing ordinance (Ord. No. 3303-A, § 4.04, 12-10-96). A permit application pursuant to groundwater extraction for use outside of county shall be filed with the Butte County Department of Water and Resource Conservation. In most cases, permits issued shall be valid for a three-year term unless the commission finds that a shorter term is required by the findings in section 33-11(a) through (e).</p>	<p>Butte County Code of Ordinances:  <a href="https://library.municode.com/ca/butte_county/codes/code_of_ordinances?nodeId=CH33GRCO">https://library.municode.com/ca/butte_county/codes/code_of_ordinances?nodeId=CH33GRCO</a></p> <p>Butte County Department of Water Resource Conservation:  (530) 538-4343  <a href="http://www.buttecounty.net/waterresourceconservation/Home.aspx">http://www.buttecounty.net/waterresourceconservation/Home.aspx</a></p>
Glenn	<p>Glenn County Ord. No. 1237 § 1, 2012 and 1115 § 1, 2000 declares that Glenn County will use basin management objectives of groundwater levels, groundwater quality, and land subsidence to help define safe yield and overdraft of the groundwater basins in the county. If a District proposes a groundwater substitution transfer outside of the County and District boundaries, the District shall develop a groundwater substitution transfer proposal and provide it to the County.</p>	<p>Glenn County Export Water Transfer Guidelines:  <a href="https://www.countyofglenn.net/sites/default/files/Exhibit%20C%206-22-12%20for%20County%20Code.pdf">https://www.countyofglenn.net/sites/default/files/Exhibit%20C%206-22-12%20for%20County%20Code.pdf</a></p> <p>Glenn County Department of Agriculture:  (530) 934-6501  <a href="https://www.countyofglenn.net/dept/agriculture/welcome">https://www.countyofglenn.net/dept/agriculture/welcome</a></p>

**Table 3-1 Description of county ordinances related to groundwater substitution transfers**

Colusa	Colusa County Ord. No. 615, (part): Ord. No. 770, § 1 (Exh. A) (part). Formerly 43-3 requires a permit for extraction and export of groundwater, either directly or indirectly, for use outside the county. Application for a transfer permit is filed with the Colusa County Groundwater Commission, through the Department of Agriculture. Applications for groundwater transfer permits shall be for a term not to exceed one water year from the date of the issuance of the permit.	Colusa County Code of Ordinances: <a href="https://www.codepublishing.com/CA/ColusaCounty#!/ColusaCounty43.html#43-4">https://www.codepublishing.com/CA/ColusaCounty#!/ColusaCounty43.html#43-4</a> Colusa County Department of Agriculture: (530) 458-0580 <a href="https://www.countyofcolusa.org/index.aspx?nid=656">https://www.countyofcolusa.org/index.aspx?nid=656</a>
Sutter	Sutter County has no ordinance governing the extraction and export of groundwater. According its general plan, Sutter County has a long-term interest in discouraging water transfer/export sales if they result in long-term supply losses.	Sutter County Groundwater Management Plan: <a href="https://www.suttercounty.org/assets/pdf/pw/wr/gmp/Sutter_County_Final_MP_20120319.pdf">https://www.suttercounty.org/assets/pdf/pw/wr/gmp/Sutter_County_Final_MP_20120319.pdf</a> Sutter County Chief of Water Resources: (530) 458-7709 <a href="https://www.suttercounty.org/doc/government/depts/ds/pw/wr/wrhome">https://www.suttercounty.org/doc/government/depts/ds/pw/wr/wrhome</a>
Yolo	Yolo County ordinance (Title 10, Chapter 7, Groundwater) requires a permit for extraction and export of groundwater, including the extraction of groundwater to replace a surface water supply. Application for a permit should be filed with the Director of Community Development. All permits shall be valid for a term set by the Board, not to exceed three (3) water years from the date of the issuance of the permit.	Yolo County Code of Ordinances: <a href="https://codelibrary.amlegal.com/codes/yolocounty/latest/yolo/0-0-0-18677v">https://codelibrary.amlegal.com/codes/yolocounty/latest/yolo/0-0-0-18677v</a> Director of Planning and Public Works: (530) 666-8775 <a href="http://www.yolocounty.org/home/showdocument?id=1899">http://www.yolocounty.org/home/showdocument?id=1899</a>
Sacramento	Ordinance (Title 3 section 3.40.090, Ground and Surface Water Export) requires a permit for groundwater or surface water to be transported in any manner outside the county. Application for a permit must be filed with the director of the Sacramento County Department of Water Resources.	Sacramento County Department of Water Resources: (916) 874-6851 <a href="https://waterresources.saccounty.net/Pages/default.aspx">https://waterresources.saccounty.net/Pages/default.aspx</a>
Yuba	At this time, Yuba County has no ordinance governing the extraction and export of groundwater. However, groundwater substitution transfers must be coordinated with Yuba County Water Agency (YCWA).	Yuba Water Agency (530) 741-5000 <a href="https://www.yubawater.org/">https://www.yubawater.org/</a>
Solano	At this time, Solano County has no ordinance governing the extraction and export of groundwater.	Solano County Water Agency (707) 451-6090 <a href="http://scwa2.com/">http://scwa2.com/</a>
