Dear California Water Commission:

Pursuant to the California Water Commission's (CWC) Procedures for a Resolution of Necessity and Eminent Domain, Section 1, this letter is being provided by the Department of Water Resources to inform the CWC of its intention to proceed with a Resolution of Necessity (RON) and request this item be noticed on the CWC's agenda and notice be sent to the landowner of the property for which the RON will be considered.

This RON is needed in support of the Salton Sea Species Conservation Habitat Expansion Project (SCHX). The RON is anticipated to be heard during the CWC's meeting on April 16, 2025. CWC procedures require that landowners be sent a notice at least 21 days prior to the meeting.

Please notice the required RON on your April 16, 2025 meeting agenda. If you need additional information or would like to discuss this further, please contact me by telephone at (916) 718-1392 or via email at allan.davis@water.ca.gov.

Sincerely,

Allan Davis
