

Legislative Update

Background

The Commission receives regular updates from the Department of Water Resources (DWR) on proposed and recently enacted legislation that impacts water management in California.

This agenda item is consistent with Goal Three of the Commission’s Strategic Plan, which calls on the Commission to use its public forum to explore pressing water management issues and includes an objective to “engage with and invite experts, interested and impacted parties, and State representatives to brief the Commission on pressing water management issues.”

Meeting Overview

At this meeting, DWR’s Deputy Director for Legislative Affairs, Kasey Schimke, will brief the Commission on the status of State legislation introduced as part of the 2026 legislative year and relevant budget items. Following his remarks, the Commission will hear Tribal and public comment and discuss the information presented.

This is an informational item.
