

Notice of Availability of the Draft Environmental Impact Report for the Milburn Pond Isolation Project

Notice is hereby given that a Draft Environmental Impact Report (DEIR) prepared by the California Department of Water Resources (DWR) is available for public review.

Project: Milburn Pond Isolation Project (State Clearinghouse No. 2020100145)

General Description: The proposed project would isolate an abandoned gravel pit known as Milburn Pond from the San Joaquin River channel to increase native fish survival by reducing movement of non-native warmwater fish species from the pond to the river and movement of native salmonids from the river to the pond.

Location: The project site is located in Fresno County and is bounded by the San Joaquin River to the north and the Fresno urban area to the south. Privately owned agricultural land and the San Joaquin Country Club are adjacent to the upstream portion of the project site, and the San Joaquin River Conservancy property currently leased to Bluff Pointe Golf Course and Learning Center is immediately downstream of the project site.

Impacts: Without mitigation, the proposed project would have significant or potentially significant impacts on air quality; biological resources; cultural resources and Tribal cultural resources; geology, soils and paleontology; hazards and hazardous materials; hydrology and water quality; recreation; and wildfire. Mitigation measures are proposed to reduce impacts to less-than-significant levels for all resources areas except recreation. No feasible mitigation measures are available to reduce the significant impact on water-based recreation opportunities associated with Milburn Pond. Therefore, this impact would be significant and unavoidable.

Review: The public review period for this DEIR begins April 2, 2021 and ends May 17, 2021. The DEIR is available at <https://ceqanet.opr.ca.gov/> by searching for State Clearinghouse No. 2020100145. The DEIR and all references cited in the DEIR also are available at <https://geiconsultants.sharefile.com/d-s914bbc9c098645c58ae6eb867a57d82c>.
