

California Water Plan 2028

SAVE THE DATE

Advisory Committee Meeting #2

The California Department of Water Resources (DWR) invites you to join us for the **2nd Advisory Committee meeting** for the California Water Plan 2028. The Advisory Committee is an appointed body, and all Committee meetings are open to the public.

The meeting will be held **in-person in Los Angeles** over two half days on **August 25 and 26, 2026**. A YouTube livestream option will also be available for viewing purposes.

Additional meeting information, including the meeting agenda, will be shared soon.

Date and Time:	Day 1 – August 25, 2026 1:00 PM–5:00 PM Day 2 – August 26, 2026 8:00 AM–12:00 PM
Location:	Los Angeles Public Works 900 South Fremont Avenue Alhambra, CA 91803 Free parking is available on site. ID will be required to enter the building.
Meeting Details:	To help us set the room properly and prepare for public comment, we are asking in-person participants to complete an optional RSVP form here: https://forms.cloud.microsoft/g/JN5Sjadbx The meeting will also be viewable via YouTube livestream, and the links will be made available on the CWP Advisory Committee meetings page here: https://www.californiawaterplan.com/public-involvement/advisory-committee-meetings
