

California Water Plan 2028

Tribal Advisory Committee

Meeting Agenda

The California Department of Water Resources (DWR) invites you to join us for the second Tribal Advisory Committee (AC) Meeting, which is being held as part of DWR's efforts to develop the upcoming California Water Plan (CWP) 2028.

Meeting Information

Date and Time:	August 5, 2026 1:00 PM–3:00 PM
Virtual Meeting Link:	• This meeting is being held online; please register via this Zoom link. • Video conference and call-in information will be provided via email confirmation upon registration.
Background:	DWR is convening the second Tribal AC meeting for CWP 2028. The Tribal AC brings together California Native American Tribes and organizations to guide and develop content for the CWP to reflect Tribal perspectives on land, water, and culture. The Tribal AC will help advance Tribal Knowledge and perspectives in the CWP and policy recommendations, engage in CWP Working Groups and Regional Forums, provide comments on materials, and support the Tribal seat on the CWP AC. The Tribal AC is open to Tribal Leadership and Tribally delegated representatives to represent Tribal government, Tribal non-governmental organizations (NGOs), and Tribal-supported NGOs and their members.
Contact	For questions, please contact Emily.Alejandrino@water.ca.gov or Francisco.Guzman@water.ca.gov . To learn more about the CWP, please visit CaliforniaWaterPlan.com
