## COMMUNITY BENEFITS PROGRAM SUGGESTED FUNDING IDEAS

The following is a list of suggested ideas* that could potentially be included if a fund were set up in the Delta as part of a Community Benefits Program. The suggestions were provided to the Department of Water Resources in the 44 community interviews conducted, Workshop 1 and in written input received through a variety of channels.

### Water and Air Quality
- Clean up trash and garbage
- Address algal blooms, pollutants, invasive plant species and salt water intrusion
- Provide clean drinking water systems
- Remove derelict boats
- Water hyacinth removal
- Manage dust
- Address road congestion (related to air quality)
- Establish waste water treatment or provide access to regional sanitation

### Public Safety and Emergency Response
- Address homeless encampments
- Coordinate Sheriff response so someone comes out when you call
- Increase law enforcement throughout the Delta
- Swimming lessons for all Delta residents
- Help counties and towns deal with illegal dumping and constant theft
- Create a community center that can be used for emergencies and educational workshops and other activities
- Fire protection
- Make sure recreation areas stays safe and clean and provides benches and shade

### Recreation
- Develop safe, shady and clean fishing, walking and picnicking recreation places throughout the Delta
- Connect urban river walk/bike trails throughout the Delta
- Create a history/culture walking trail along Mormon Slough from Scotts Ave to the river
- Connect green space at Reyes Park to the boat launch
- Work with youth to plant trees and community gardens all along the slough
- Access to river for non-motorized boaters
- Walking and biking trails including Rails to Trails
- Fishing access especially from shore
- After construction, convert the construction roads to walking and biking routes
- Complete the Great Delta Trail with campgrounds
- Reopen Delta Shores State Park
- Public access to natural places
- Support hatcheries within recreation as part of fisheries
- Connect the missing portion of the Mokelumne Coast to Crest Trail between Oakley and Pardee

### Habitat Conservation
- Elk Slough Project
- Protect Golden Eagle habitat in hills behind Clifton Court
- Funding to farmers to put some of their land in habitat maybe in conjunction with NRCS
- Wildlife easements
- Land acquisition and purchase easements essential to connect the refuge habitats throughout the Delta
- Land acquisition to protect habitat from urban encroachment
- Funding for easements for a greater variety of habitat types than the NRCS Wetland Reserve Program funds

### Culture and History
- Put up history and culture interpretative signs to connect to indigenous culture and other history
- Develop a community center large enough for whole community to meet in and for larger events
- Community center with multiple uses
- Prop 68 should guide the benefit types
- Land purchase for history and culture
- Beyond Legacy communities, includes cultural landscape, towns that no longer exist like old Chinatown
