

DOCUMENT 00003

NOTICE OF MANDATORY INSPECTION TRIP

TIDAL HABITAT RESTORATION
WINTER ISLAND
STATE WATER FACILITIES
FISH RESTORATION PROGRAM
DIVISION OF ENVIRONMENTAL SERVICES
CONTRA COSTA COUNTY
CALIFORNIA
SPECIFICATION NO. 19-06
CONTRACT NO. C51588

A mandatory inspection trip for prospective bidders will be conducted at the work site. The inspection trip is mandatory for all bidders and is expected to take about three hours. Interested parties are requested to schedule their time to make the trip on the same day. Bidders will be required to sign-in to indicate their attendance at the site inspection. Bids will not be accepted from those parties who do not sign-in and attend the site inspection.

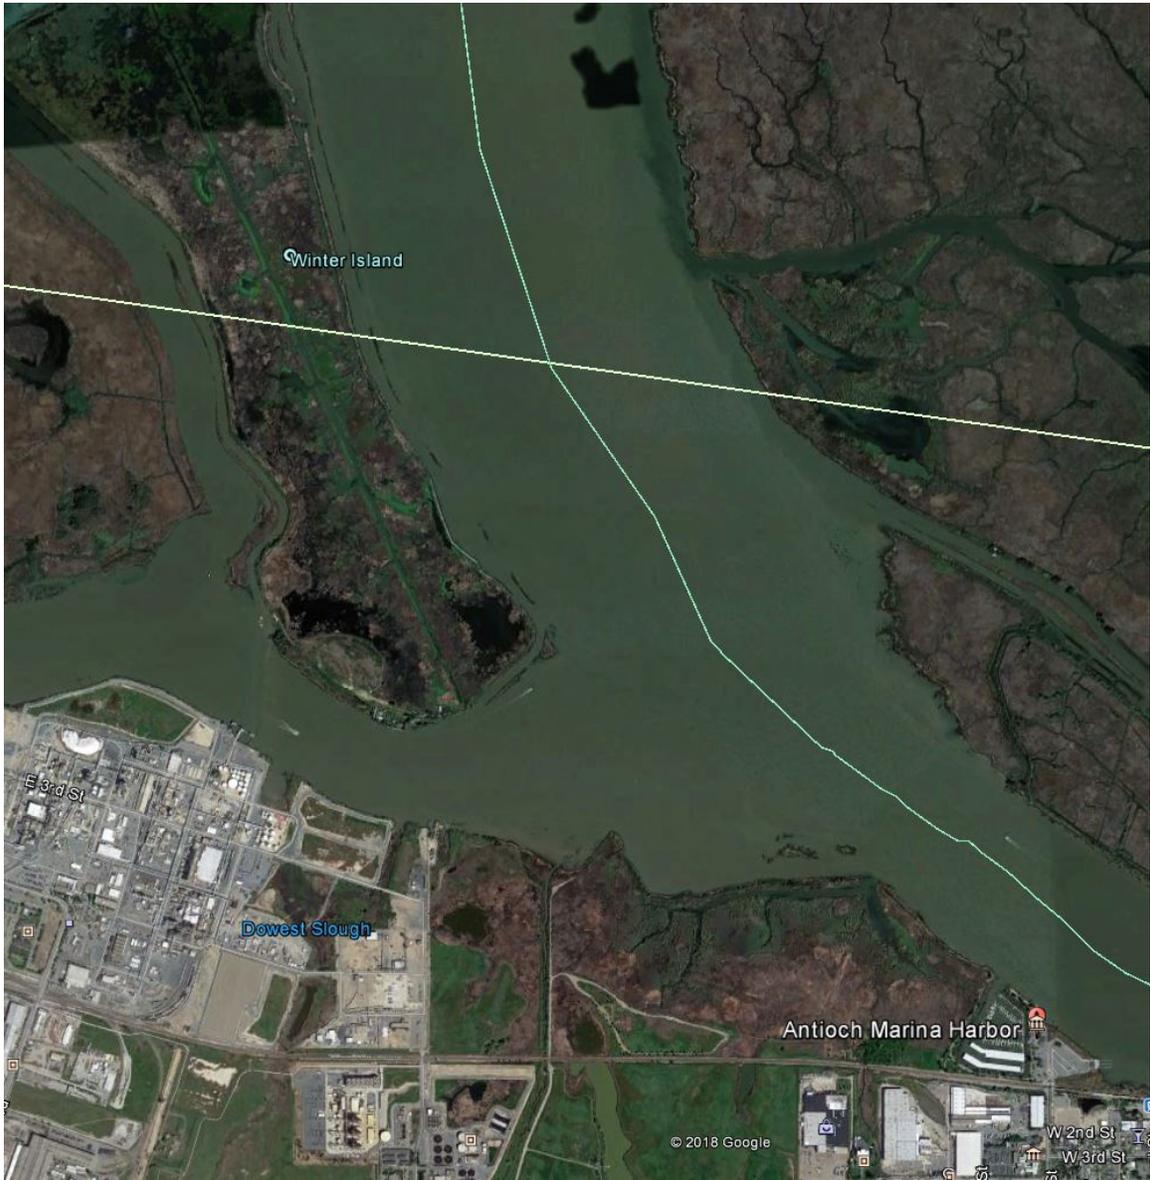

Interested parties are requested to meet on **THURSDAY, JUNE 13, 2019**, at **10:00 A.M.** at the Antioch Marina Harbor, at the following address, 1 Marina Plaza, Antioch, CA 94509. The meeting location is approximately 60 miles Southwest of Sacramento, California.

The meeting location from Sacramento can be accessed via Interstate I-5. Travel on I-5 South and take CA-12 West Exit. Continue on CA-12 West then Exit on CA-160 South. Continue on CA-160 South then Exit on Wilbur Avenue. Turn Left on Wilbur Avenue and continue for approximately 3 miles. Turn right on to A Street, then turn left on 6th Street. After approximately 3/4 miles turn right on L Street, then take the second exit on the roundabout. The Antioch Marina Harbor will be at the end of the road.

The Department will have 2 boats for access to Winter Island. Meet at the parking near the Antioch Marina Harbor for presentation and boat ride to Winter Island.

See maps on the following page.

Please call the Department of Water Resources at (916) 653-4867 if you have questions.
