Project Title: Perris Dam Emergency Release Facility

Project Location (include county): Riverside County, below Perris Dam within the Lake Perris State Recreation Area, extending westward to the Perris Valley Channel

Project Description: The project would modify the existing valve and control system and construct an emergency release facility that would convey up to 3,800 cubic feet per second of water from the Perris Dam over State-owned land to the Perris Valley Channel in the event of dam failure. The proposed project includes upgrades to the outlet structure, development of levees, and earthen or concrete channels connecting to the Perris Valley Channel.

This is to advise that the Department of Water Resources has approved the above described project on (X Lead Agency or Responsible Agency)

May 2, 2018 and has made the following determinations regarding the above described projects. (Date)

- 1. The project [X will] [ ] will not have a significant effect on the environment.
2. [X An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X were] [ ] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X was] [ ] was not adopted for this project.
5. A statement of Overriding Considerations [X was] [ ] was not adopted for this project.
6. Findings [X were] [ ] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at:
