

Membership for the IICG (04/2018)

The IICG as described in the Adaptive Management Program (AMP) and AMP Agreement is co-led by California Department of Water Resources (DWR) and US Bureau of Reclamation (Reclamation), will include a representative of Reclamation, U.S. Fish and Wildlife Service (USFWS), and National Marine Fisheries Service (NMFS), as well as one designated representative each from DWR, California Department of Fish and Wildlife (CDFW), a participating State Water Project (SWP) contractor, and a participating Central Valley Project (CVP) contractor. The current IICG members (with listed alternates) include:

- Michelle Banonis/Kenneth Bogdan (DWR)
- Dave Mooney/Mario Manzo (Reclamation)
- Carl Wilcox/Brooke Jacobs (CDFW)
- Maria Rea/Cathy Marcinkevage (NMFS)
- Kaylee Allen/Matt Nobriga (US FWS)
- Jennifer Pierre/Brent Walthall (SWP Contractor)
- Tom Birmingham/John Rubin (CVP Contractor)

Additional staff from any of the IICG members and/or consultants may also participate to provide technical assistance or other support.
