

Example IRWM Funded Tribal Projects

Funding Area	IRWM Region	Awarded Grant Amount <i>Total Project Amount</i>	Grantee <i>Local Project Sponsor</i>	Project Name	Project Description
Mountain Counties	Mokelumne/Amador/ Calaveras	Grant Award: \$1,471,140 <i>Total Project Cost: \$1,471,140</i>	Upper Mokelumne River Watershed Authority <i>Calaveras County Water District</i>	West Point Water Main & Tank Replacement Project	Replace approximately 7,900 feet of deteriorating water mains and a leaking redwood water storage tank serving the disadvantaged community of West Point.
North Coast	North Coast	Grant Award: \$542,000 <i>Total Project Cost: \$917,065</i>	County of Humboldt <i>Happy Camp Sanitary District</i>	Indian Creek Sewer Pipeline Crossing	Replace the existing sewer pipeline crossing with a new pipeline attached to the State Highway 96 Bridge.
North Coast	North Coast	Grant Award: \$253,000 <i>Total Project Cost: \$504,000</i>	County of Humboldt <i>Happy Camp Community Services District</i>	Happy Camp Water Treatment System Upgrade	Design and construct a new roughing filter, upgrade the wetwell pumps; relocate existing electrical equipment; improve the backwash disposal pond; and improve the SCADA system at the existing water treatment plant.
San Diego	San Diego	Grant Award: \$485,000 <i>Total Project Cost: \$515,000</i>	San Diego County Water Authority <i>Rural Community Assistance Corporation</i>	Rural Disadvantaged Community (DAC) Partnership Project	Address inadequate water supply and water quality issues affecting rural disadvantaged communities, including tribal communities.
Colorado River	Coachella Valley	Grant Award: \$155,000 <i>Total Project Cost: \$238,269</i>	Coachella Valley Water District <i>Torres-Martinez Desert Cahuilla Indian Tribe</i>	Torres Martinez Avenue 64 Water Supply Connection Project	Final design plans and specifications, final permitting for construction of new water supply for the Torres-Martinez Avenue 64 potable water system via 5,400 feet of 12-inch Ductile Iron water main extension.
North Coast	North Coast	Grant Award: \$300,000 <i>Total Project Cost: \$375,000</i>	County of Humboldt <i>Karuk Tribe</i>	Karuk Tribe Lower Mid-Klamath (Red Cap/Perch Creek) Habitat Protection- Road Decommissioning Implementation Project	This road decommissioning project will remove unstable fill at stream crossings, swales, springs, seeps, and reestablish the natural hillslope drainage pattern along the intervening road reaches.
North Coast	North Coast	Grant Award: \$421,354 <i>Total Project Cost: \$756,053</i>	County of Humboldt <i>Yurok Tribe</i>	Restoration of Lower Klamath River Habitats	Restore 2.0 miles of fluvial habitats in two priority Lower Klamath River tributaries- constructed wood jams, willow revetment baffles, and planting native trees.
Santa Ana	Santa Ana Watershed Project Authority	Grant Award: \$150,000 <i>Total Project Cost: \$203,000</i>	Santa Ana Watershed Project Authority <i>Soboba Tribe</i>	Soboba Band of Luiseño Indians Wastewater Project	Conduct a feasibility study for a centralized Reservation wastewater treatment facility to improve service and increase effectiveness of the wastewater treatment process.
North Coast	North Coast	Grant Award: \$201,770 <i>Total Project Cost: \$296,076</i>	County of Humboldt <i>Yurok Tribe</i>	Weitchpec Water Station	Install well, water tank, and spigot for emergency access, flush hydrant, and direct line to community system to increase water supply reliability.
Colorado River	Coachella Valley	Grant Award: \$250,000 <i>Total Project Cost: \$250,000</i>	Coachella Valley Water District <i>Torres-Martinez Desert Cahuilla Indian Tribe</i>	Torres-Martinez Septic to Sewer Conversion Project	This project will support the preparation of environmental documentation, design, and engineering work to connect the residents of a disadvantaged Tribal community to the municipal sewer system.

Example IRWM Funded Tribal Projects

Funding Area	IRWM Region	Awarded Grant Amount <i>Total Project Amount</i>	Grantee <i>Local Project Sponsor</i>	Project Name	Project Description
Lahontan	Inyo-Mono	Grant Award: \$225,300 <i>Total Project Cost: \$225,300</i>	Desert Mountain Resource Conservation & Development Council <i>Big Pine Paiute Tribe of the Owens Valley</i>	Big Pine Fire Hydrant Replacement Project	Replace 38 leaky dilapidated fire hydrants throughout the reservation to conserve water and improve emergency response infrastructure and reliability.
Lahontan	Inyo-Mono	Grant Award: \$186,712 <i>Total Project Cost: \$186,712</i>	Desert Mountain Resource Conservation & Development Council <i>Bishop Paiute Tribe</i>	Bishop Paiute Tribe Irrigation, Domestic Water, and Wastewater Conservation Plan	This project will develop comprehensive water demand reduction plans for irrigation, domestic water, and wastewater, as well as a rate study for the Bishop Paiute Tribe.
North Coast	North Coast	Grant Award: \$655,475 <i>Total Project Cost: \$1,303,475</i>	County of Humboldt <i>Hoopa Valley Tribe</i>	Lower Supply Flood Risk Reduction and Fisheries Habitat Improvement Project	This project restores hydrologic connectivity between Supply Creek and its floodplain to reduce flood risk, recharge groundwater, improve water quality, and improve salmonid habitat.
North Coast	North Coast	Grant Award: \$558,562 <i>Total Project Cost: \$558,562</i>	County of Humboldt <i>Bear River Band of the Rohnerville Rancheria</i>	Reclaimed Water Project	This project will use reclaimed wastewater to irrigate four stormwater treatment wetlands in the dry season, eliminating the need to irrigate with potable water.
North Coast	North Coast	Grant Award: \$149,170 <i>Total Project Cost: \$149,170</i>	County of Humboldt <i>Hopland Band of Pomo Indians</i>	Community Test Wells and Water Security Study	This planning project constructs test wells to determine the location for a well to provide reliable water for the Hopland Band and community of Hopland.
North Coast	North Coast	Grant Award: \$702,463 <i>Total Project Cost: \$962,674</i>	County of Humboldt <i>Yurok Tribe</i>	Yurok Watershed Restoration and Drinking Water Security	This project combines water storage and habitat restoration to bolster water supply reliability and protect culturally important special status species for a Tribal DAC.
North Coast	North Coast	Grant Award: \$131,253 <i>Total Project Cost: \$131,253</i>	County of Humboldt <i>Hoopa Valley Tribe</i>	Hoopa Valley Public Utility District Conservation Project	This project bolsters water supply by replacing failing Public Utility District water meters that don't meet federal regulations for drinking water safety and thus endanger public health.
North Coast	North Coast	Grant Award: \$114,860 <i>Total Project Cost: \$137,670</i>	County of Humboldt <i>Mendocino County Resource Conservation District</i>	Water Conservation Technical Assistance to Mendocino County Tribes	This project will provide water audit technical assistance and training to assist Tribal water suppliers to help meet reduced water demand goals that benefit salmonids and Tribal communities.
