

NOTICE TO STATE WATER PROJECT CONTRACTORS

Date: 6/26/2026

Number: 26-06

Subject: Bulletin 132-22, Management of the California State Water Project

From: Original signed by Behzad Soltanzadeh for
John Yarbrough
Deputy Director
Department of Water Resources

Bulletin 132-22, Management of the California State Water Project, has been published and is now available for distribution. Bulletin 132 is an annual series reporting SWP water supply planning, construction, finance, management, and operations. Bulletin 132-22 presents significant events and issues that affected SWP management and operations for calendar year 2021.

Printed copies of Bulletin 132-22 will be delivered within four weeks to a designated group of recipients. All other recipients may request printed copies by following the instructions provided below.
