

CALIFORNIA DEPARTMENT OF WATER RESOURCES

Oroville Dam Safety Comprehensive Needs Assessment (CNA) Ad Hoc Group Agenda -- January 10, 2019

Meeting Purpose

The ad hoc group will review and comment on efforts by the California Department of Water Resources (DWR) and the Independent Review Board (IRB) to develop a Comprehensive Needs Assessment (CNA) for public safety related to Oroville Dam and its appurtenant structures.

Meeting Objectives

- Provide the Ad Hoc Group (AHG) with
 - A further understanding of the use of the Standard Project Flood and the Probable Maximum Flood
 - An understanding of the inter-relationships between the Level 2 Risk assessment and the CNA
 - An understanding of revisions made to the draft evaluation criteria for comparing and selecting the recommended CNA alternative
 - An update of the progress made on Tasks 1, 2, 4, and 6
- Provide DWR with an understanding of the AHG's perspective of DWR's efforts
