

DRIP COLLABORATIVE JOINT WORKGROUP MEETING
DROUGHT RELEVANT DATA (1,2) & DROUGHT DEFINITION AND NARRATIVE (6,7,8)

Tuesday, September 3, 2024, 1pm – 3pm

Remote Participation via [Zoom](#)

and

In-Person Participation (Optional) at [CNRA 04-400 \(Fourth Floor\)](#)

Meeting Agenda

Meeting Purpose: Review and provide feedback on draft recommendations. This Joint meeting, bringing together the Drought Relevant Data workgroup and the Drought Definition and Narrative workgroup, will focus on five previously identified recommendations:

1. Rapid Inventory of Drought Related Tools and Resources (REC 2)
2. Drought Case Studies (REC 8) and Drought Definitions White Paper (REC 6)
3. Drought Indicators and Metrics (REC 1) and Communication Program (REC 7)

Desired meeting outcome: Agree on the approach and narrative needed to finalize the recommendations using the Recommendations Template Parts I (description and impacts) and II (implementation considerations).

00:00 Welcome and Process Review

DRIP Collaborative members will review the remaining steps needed to finalize their recommendations.

00:05 Rapid Inventory of Drought Related Tools and Resources (REC 2)

DRIP Collaborative members will consider previous feedback provided to update the recommendation and discuss implementation considerations.

- Review DRIP Collaborative comments and questions
- Review and provide feedback on draft recommendation
- Public comment

00:35 Drought Case Studies (REC 8) and Drought Definitions White Paper (REC 6)

DRIP Collaborative members will consider previous feedback provided to update the recommendation and discuss implementation considerations.

- Discuss approach to combine REC 8 AND REC 6
- Review and provide feedback on draft recommendation
- Public comment

1:05 Short Break

1:10 Drought Indicators and Metrics (REC 1) and Communication Program (REC 7)

DRIP Collaborative members will consider previous feedback provided to update the recommendation and discuss implementation considerations.

- Discuss approach to restructure REC 1 and REC 7

- *Review and provide feedback on draft recommendation*
- *Public comment*

1:40 Recommendations Voting Process

DRIP Collaborative members will discuss the proposed approach to voting on the recommendations at the October 18 meeting.

1:50 Public Comment

2:00 Adjourn
