

Recommended Funding List - Round 1 Integrated Regional Water Management (IRWM) Implementation Grant Solicitation

Disclaimer: The Recommended Award, Cost Share, and Total Proposal Cost are all estimated and conditional until final terms and conditions are agreed upon and an agreement has been executed. The awarded grant amount listed in the executed agreement can be less than the Recommended Award amount listed here based upon final negotiations between the Awardee and DWR. DWR staff may determine certain projects/tasks are not eligible or do not meet the requirements outlined in the 2019 IRWM Guidelines and Round 1 Implementation Grant Proposal Solicitation Package (PSP) and are subject to change.

* Draft Recommended Awards are conditional based upon confirmation of eligibility. See notes below for outstanding eligibility issues. If requested documentation is not submitted within 30 calendar days of the date the draft funding list is posted to the public, project may be deemed ineligible and funding award may be adjusted, or final awards may be made on a conditional basis pending submittal of such documentation prior to agreement execution at DWR's discretion. See PSP for details regarding required documentation.

Notes:

A— Proposal did not include sufficient justification to support that at least one project addresses AB 1249 contaminants. Provide justification of why a project that addresses AB 1249 contaminants was not included in the application.

B— Project requested cost share waiver, however, DAC benefits were not fully justified. Submit additional documentation clearly stating the percentage of the project benefits provided directly to a DAC and/or provide evidence of additional cost share.
