

# Recommended Funding List - Round 1 Integrated Regional Water Management (IRWM) Implementation Grant Solicitation

Disclaimer: The Recommended Award, Cost Share, and Total Proposal Cost are all estimated and conditional until final terms and conditions are agreed upon and an agreement has been executed. The awarded grant amount listed in the executed agreement can be less than the Recommended Award amount listed here based upon final negotiations between the Awardee and DWR. DWR staff may determine certain projects/tasks are not eligible or do not meet the requirements outlined in the 2019 IRWM Guidelines and Round 1 Implementation Grant Proposal Solicitation Package (PSP) and are subject to change.

Funding Area: North Coast							
IRWM Region: North Coast		Applicant: County of Humboldt					
Project Name	Project Implementing Agency	Implementing Agency Type	Primary Benefit	DAC Project	Funding Requested	Recommended Award	Notes
Contract Administration	Humboldt County	Public Agency			\$763,200	\$763,200	-
Water Storage Project *	Blue Lake Rancheria	Federally Recognized Indian Tribe	Water Supply Reliability	X	\$382,085	\$382,085	A
Water Supply Enhancement Project	Briceland Community Services District	Public Agency	Water Supply Reliability	X	\$1,076,625	\$1,076,625	-
California Street Sewer Replacement	City of Ferndale	Public Agency	Flood Damage Reduction	X	\$326,750	\$326,750	-
Improving Willits Water Supply Reliability and Drought Resiliency with Groundwater and Conjunctive Use	City of Willits	Public Agency	Water Supply Reliability	X	\$551,156	\$551,156	-
Collection System and Wastewater Treatment Plant Improvements	Covelo Community Services District	Public Agency	Water Quality	X	\$750,000	\$750,000	-
Onsite Emergency Power Supply for Sanitary Sewer Lift Stations	Del Norte County Service Area No. 1	Public Agency	Operational Efficiency	X	\$807,641	\$807,641	-
Kenny Creek Instream Habitat Enhancement Project	Eel River Watershed Improvement Group	Non-profit Organization	Fishery Improvements	X	\$176,077	\$176,077	-
Water Tank Seismic Retrofit Project *	Fieldbrook Glendale Community Services District	Public Agency	Water Supply Reliability	X	\$314,744	\$314,744	B
Rainwater Catchment Rebate and Streamflow Enhancement Pilot Project *	Gold Ridge Resource Conservation District	Public Agency	Water Supply Reliability		\$420,324	\$420,324	A, D
Ranney Collector 2 Rehabilitation Project *	Humboldt Bay Municipal Water District	Public Agency	Water Supply Reliability	X	\$600,000	\$600,000	A
Water Distribution System Replacement Project *	Lewiston Community Services District	Public Agency	Water Supply Reliability	X	\$1,073,273	\$1,073,273	B
Lower Mattole River and Estuary Enhancement Project Phase II	Mattole Restoration Council	Non-profit Organization	Fishery Improvements	X	\$656,165	\$656,165	-
Water System Improvements Project *	Newell County Water District	Public Agency	Water Supply Reliability	X	\$461,607	\$461,607	A
Water Tank Replacement Project	Pacific Reefs Water District	Public Agency	Water Supply Reliability	X	\$386,274	\$386,274	-

# Recommended Funding List - Round 1 Integrated Regional Water Management (IRWM) Implementation Grant Solicitation

Project Name	Project Implementing Agency	Implementing Agency Type	Primary Benefit	DAC Project	Funding Requested	Recommended Award	Notes
Drought and Emergency Water Project	Sanctuary Forest Inc.	Non-profit Organization	Water Supply Reliability	X	\$558,501	\$558,501	-
Scott River Headwaters Forest Health, Fire Safety, and Water Quality Improvement Project *	Scott River Watershed Council	Non-profit Organization	Water Quality-Sediment	X	\$632,370	\$632,370	C
Water System Emergency Generator Project *	Smith River Community Services District	Public Utility	Water Supply Reliability	X	\$322,445	\$322,445	E
South Fork Trinity River – Spring Run Chinook Salmon Restoration Project – Phase II	Watershed Research and Training Center	Non-profit Organization	Ecosystem Restoration	X	\$832,495	\$832,495	-
Sewer Improvements Project	Weaverville Sanitary District	Public Agency	Water Quality	X	\$691,000	\$691,000	-
Upgrading Critical Infrastructure to Support Resource Recovery in the Blue Creek Sanctuary *	Yurok Tribe	Federally Recognized Indian Tribe	Water Quality-Sediment	X	\$937,268	\$937,268	C
<b>TOTAL:</b>					<b>\$12,720,000</b>	<b>\$12,720,000</b>	

General Proposal Score:	DAC Proposal Score:
25	22

Non-State Cost Share:	Other Cost Share:	Total Proposal Cost:
\$420,488	\$7,372,101	\$20,512,589

\* Draft Recommended Awards are conditional based upon confirmation of eligibility. See notes below for outstanding eligibility issues. If requested documentation is not submitted within 30 calendar days of the date the draft funding list is posted to the public, project may be deemed ineligible and funding award may be adjusted, or final awards may be made on a conditional basis pending submittal of such documentation prior to agreement execution at DWR's discretion. See PSP for details regarding required documentation.

Notes:

- A— Project directly affects groundwater levels and/or quality. Submit applicable documentation regarding Groundwater Management Compliance and California Statewide Groundwater Elevation Monitoring Program (CASGEM) compliance.
- B— Project may directly affect groundwater levels and/or quality. Submit additional justification regarding why project does not directly affect groundwater levels and/or quality or submit applicable documentation regarding Groundwater Management Compliance and CASGEM compliance.
- C— Project is a stormwater and/or dry weather runoff capture project. Submit applicable documentation regarding Stormwater Management Plan Compliance.
- D— Project may be a stormwater and/or dry weather runoff capture project. Submit additional justification regarding why project is not a stormwater and/or dry weather runoff project or submit applicable documentation regarding Stormwater Management Plan Compliance.
- E— Project sponsor is a Mutual Water Company or Public Utility. Provide justification that the project has a clear and definite public purpose that benefits the customers of the water system or other public utility and not the investors.
