Subject: Final Review – North Coast Resource Partnership IRWM Plan

Dear Ms. Gledhill:

This letter transmits the final review of consistency of the North Coast Resource Partnership Plan Phase IV, September 2019 Integrated Regional Water Management (IRWM) Plan (Plan) with the IRWM Planning Act and the related IRWM Plan Standards contained in the 2016 IRWM Program Guidelines (Guidelines). The Department of Water Resources (DWR) finished the draft review of the Plan and determined it to be consistent with the Guidelines. The draft Plan was then posted on DWR's website from December 12, 2019 to January 12, 2020 to satisfy the required 30-day public comment period, and no comment was received. Therefore, DWR has made the final determination that the Plan is consistent with the Guidelines. The final review is posted on the following link: <https://www.water.ca.gov/Work-With-Us/Grants-And-Loans/IRWM-Grant-Programs/Plan-Review-Process>. We request that you maintain access on your web site to the version of the IRWM Plan that was reviewed by DWR, as we will provide a to that plan on our web site.

If you have any questions, please contact Ted Daum at (916) 651-9264 or Theodore.Daum@water.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Carmel Brown".

Carmel Brown, P.E. Chief
