

Recommended Funding List - Round 1 Integrated Regional Water Management (IRWM) Implementation Grant Solicitation

Disclaimer: The Recommended Award, Cost Share, and Total Proposal Cost are all estimated and conditional until final terms and conditions are agreed upon and an agreement has been executed. The awarded grant amount listed in the executed agreement can be less than the Recommended Award amount listed here based upon final negotiations between the Awardee and DWR. DWR staff may determine certain projects/tasks are not eligible or do not meet the requirements outlined in the 2019 IRWM Guidelines and Round 1 Implementation Grant Proposal Solicitation Package (PSP) and are subject to change.

* Draft Recommended Awards are conditional based upon confirmation of eligibility. See notes below for outstanding eligibility issues. If requested documentation is not submitted within 30 calendar days of the date the draft funding list is posted to the public, project may be deemed ineligible and funding award may be adjusted, or final awards may be made on a conditional basis pending submittal of such documentation prior to agreement execution at DWR's discretion. See PSP for details regarding required documentation.

Notes:

A— Project may be a stormwater and/or dry weather runoff capture project. Submit additional justification regarding why project is not a stormwater and/or dry weather runoff project or submit applicable documentation regarding Stormwater Management Plan Compliance.

B— Project requested DAC Funding, however 75% or more direct project DAC/EDA benefits were not fully justified. Therefore, project is not recommended for DAC funding.

C— Proposal did not meet cost share requirements, provide evidence of additional cost share.
